SIZE REALLY DOES MATTER!

NEW & IMPROVED FORMULA

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.

WHERE'S YA Panties, PAZ?

Paris Hilton parades her pussy in New York

USED to be we were always seeing Paris Hilton's nunga all over the joint.

Barely a week went past without her waving it around at some high-class bash or another, making it smile for the cameras as she clambered out of limos with all the natural grace of a llama on ice-skates.

But time passed, and suddenly we realised we hadn't seen Paz's shaved cock-slot for ages.

And y'know what? We MISSED IT.

So we're happy as fucken PIGS IN SHIT that she – and it – are back.

The other day at some New York fashion beano she showed up in a pair of black cargoes with BITS MISSING and there it was, peaking shyly out the side of her daggy dacks.

Oh, it was beaut! We could swear we even saw it WINKING at us.

Just like old times...

NEW TITS ON THE BLOCK

EMM WANT YOU

Porn star Emma Mae is keen for a fan fuck!

THIS will come as a bit of a shock, but porn goddess Emma Mae often finds herself going short of a ROOT.

"I can't tell you home many nights I've sat at home alone and dateless because guys find me intimidating," MOANS the 26-year-old Seppo stunner.

"Sure, I get to have sex on set, but I want more than that."

Aw. Diddums. So what do you do about it?

"Masturbation is my main form of sexual release."

That's SAD , while at the same time being HIGHLY AROUSING.

"At first I felt bad about having to pleasure myself. Then I learned to really enjoy it. But nothing beats a real man."

Yeah, we're pretty grouse. So what's your message to your adoiring fans if they meet you?

"Unless you're repulsive or a total douchebag, you probably have a shot at me."

Fuck! For a second there we thought we were IN. ■ Picture

NEWS FLASH

THIS SHIT REALLY HAPPENED!

READY, AIM, FIREY!

A COUPLE of Aussie firemen helping out in the recent bushfires in Washington state, USA, were SHOT AT for their troubles. The pair, one a Rural Fire Service bloke and the other from Fire and Rescue NSW, along with two local fireys, were chased and shot at by a couple of gun-happy hunters in the area about 160kays from Seattle before being airlifted out. The two gun-totin' shitheads have been arrested and charged.

KNOT HAPPY!

BEER SAVES A LIFE

BEAUT beer has again proved to be a lifesaver after brewery truck drivers coaxed a would-be suicide off a bridge with a six-pack. Seppo truckies Jason Gaebel and Kwame Anderson stopped when they saw the bloke outside the safety railings on the bridge in St. Paul, Minnesota, and while Kwame rang the cops Jason chatted with the dude. In a moment of inspiration Jason asked if the guy would like a beer, and after being promised a six-pack the potential suicide saw an upside to life and came down from the bridge. Hooray for beer!

PORN AGAIN

FORMER porn star Jenna Presley has chucked in the rooting-on-film caper to help run a CHURCH. Under her new married name of Brittni De La Mora, she and hubby Richard, a pastor, run the Cornerstone Church in San Diego, California. The star of *Big Tit Creampie 9* and *I Screwed The Pizza Guy 4* reckons she opted out of the porn biz after getting heavily into drugs, and that these days she makes just as much dosh selling real estate. Problem is, now she has to figure out a way to break it to her family that she's a real estate agent.

TWISTED MISTER

BHARAT Tiwari, from Jabalpur in India, has every reason to be shitty. His arms and legs have been fucked up like this from the age of five with a condition so rare no-one knows what it it, but Bharat reckons he's OK and just gets on with life. "I'm not sad so it's no problem," he says. Locals call him the Bendy Priest and reckon he's the reincarnation of an ancient god, so they look after him, and he blesses them.

CUBE TUBE

IN WHAT was obviously a last-ditch attempt to score himself a girlfriend, weedy 18-year-old student Vako Marchelashvili, from Georgia, solved six Rubik's Cubes under water in one breath to set a new Guinness World Record. Much excite-a-mundo. You bewdy, etc. Vako stayed submerged in a glass tank at the Gino Paradise aqua park in the Georgian capital of Tbilisi for one minute and 44 seconds as he solved the cubes in front of a RAPT crowd of sunburnt Georgians. He said he had been preparing for the THRILLING record attempt for six months. Between WANKS, presumably.

FUCK OFF, YA CLOWN!

IT'S not easy being a rodeo clown. None of the humans take you seriously and all the critters try to KILL YA. This airborne champion is Daniel Kimber and he was was doing his bit to keep the riders safe at the Derby Rodeo in WA the other day when a cranky bull chucked him in the air. We reckon he needs a little car to hide in with the other clowns.

WHAT A DICK!

Clever bastard turns bicycle into giant knob

A GIANT artwork of a bicycle meant to celebrate the Tour of Britain cycling race has been turned into an OBSCENE picture of a giant DICK AND BALLS.

HOORAY FOR THAT, eh readers!

The big pushie was constructed out of sheets of cardboard on Capstone Hill in Ilfracombe, Devon, VAGUELY NEAR where the race was due to pass.

But in the dead of fucken night, a person (or persons) unknown snuck up on the hill and switched it around, turning the wheels into BALLS and the handlebars and frame into a MONSTER COCK.

And some people say that English comedy is dead...

Of course, it didn't last long, and before the sweaty-arse cyclists came grunting past the cardboard had been re-arranged again, this time into a giant stinkin' SMILEY FACE.

But, for a while there, that hillside was the FUNNIEST THING IN ENGLAND.

Apart from the Pommy national soccer team, that is. ■ Picture

KING OF THE HILL!

BIG BOY'S TOY

World's fastest car made out of Lego!

FANCY getting the world's fastest sports car, the Bugatti Chiron, regular price A$3.8 million, for a fraction of that price?

The good news is you can have one. The bad news is it'll be made of Lego, you'll have to build it yourself and it'll only do around 20km/h instead of the BALL-DRAINING 420km/h of the original.

And in case you were wondering – it drives like a fucken BRICK.

Some geniuses built the bogus Bugatti out of more than a million Lego bricks on a steel frame and powered it with 2,300 tiny electric motors.

They reckon if you have the patience of a saint and 13,400 man-hours to spare, you can build one, too.

Yeah... nah. We'll stick with a second-hand Commodore, ta. **Picture**

GISELLE PALMER 23

Giselle likes to put her arse on a leash and take it for walkies.

WHO doesn't like a nice arse? We know we do, and it's not just because we're professional perverts.

No, there's more to it than that. A scientific study has found that pre-historic blokes were attracted to bums that stuck out at a 45 degree angle to the spine because it indicated a sheila could go on popping out sprogs while not neglecting her other duties, such as gathering food, cleaning the cave, bending over to give him BLOWIES, etc.

"This spinal structure would have enabled pregnant women to balance their weight over the hips," reckons University of Texas professor David Buss.

"These women would have been more effective at foraging during pregnancy and less likely to suffer spinal injuries."

Plus it LOOKS GROUSE, eh prof!

There are other aspects to a top arse, including "gluteal development", which indicates the musculature of the arse, and "adipose tissue deposits" which is the FLAB FACTOR.

But forget all that and just enjoy these TOP BOTTOMS. Picture

GET-PUC

Beware

SPORTS in this country are getting so soft the players may as well be wearing skirts and swapping SCONE RECIPES.

So try ice hockey instead. If you don't spew from all the gore, you might like it.

The national sport of Canada, ice hockey is played by teams of six players and the aim is to smash a little black disk, called a puck, into the opposing team's goal – doesn't sound hard, right?

WRONG! Try doing it while six toothless maniacs with blades strapped to their feet try to punch you into next week in front of a stadium full of DRUNK CANADIANS baying for your blood.

Which, inevitably, is spilt over the ice by the BUCKET LOAD, along with stray teeth and gristle.

Up-chucking aside, it's something any real sports fan would pay to watch! ■ Picture

Later that day, the professor arrived home to find his wife in the shower. Beauty, he thought – a chance to test out Dave's theory.

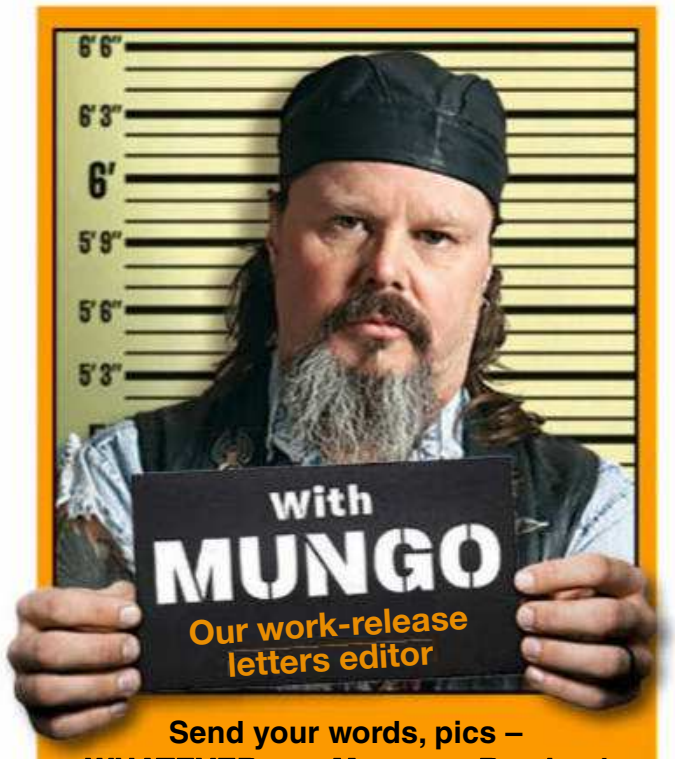
READERS' WORLD

GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

BUT WHAT DOES IT ALL MEAN?

HEY Mungo, is my missus trying to tell me something here or did this happen by accident? I just put some tommo sauce on it anyway. Tasted great.

NO NAME OR ADDRESS GIVEN

MUNGO SAYS: It's my experience that nothing to do with women is ever an accident. It's all part of some devious plan that we, as dumb blokes, will never understand. Whatever it means, you got a feed out of it, so just be thankful for that.

RIGHT UNDER OUR NOSES!

I'VE spotted a pair of clones both in one issue of your very own mag. In issue #1465, if you removed the make-up and tatts from Marjy, Beaut Bum, she'd be the dead spit of Sierra, in Ask the Homies. In fact, Sierra has her left hand over the exact spot where Marjy's hip tatt is, so I'm thinking they have to be the same girl. By the way, I'm a chick who loves looking at other chicks naked, so I'm a big fan of Home Girls.

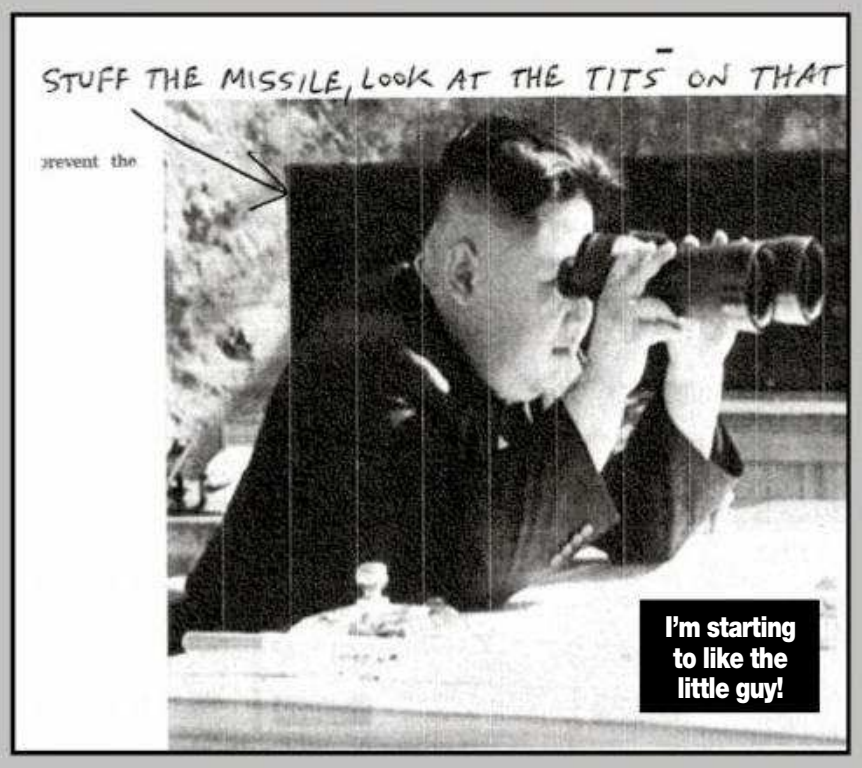
LIZ THE LEZ, CAMPERDOWN, NSW

MUNGO SAYS: Well, Liz, you've got us there – we've never actually seen Sierra and Marjy in the same room together, so you may be right. Probably not, though.

BOMBS AWAY!

I AM a bit behind reading THE PICTURE as I only get to read them on my meal break as a shift worker. While reading issue #1455, and seeing the picture of Kim Jong Un on page 8, I found a similar picture of him in the newspaper and added my own line. Hope you like it.

F.C., SOUTHLAKE, WA



MUNGO SAYS: Always keen for some creative shenanigans from a loyal reader, F.C., even if you are falling behind somewhat. Try and keep up, will ya? I always reckoned the little fella with the shit haircut looked like he might appreciate a good set of warheads, so yeah, it works for me. Though if he takes exception to your work, look out Southlake. I'd start building my bomb shelter now if I were you, and start hoarding beer.

DECK THE HALLS WITH PICS OF HOLLY

I WAS going back through a few past issues and had a closer look at Holly, the skimpy barmaid you called "Oz's Hottest Skimpy" in #1457. It's a fair call. How did I miss her first time around? And why haven't you had her back since then? I'm a big fan of skimpies/topless barmaids, they make the beer taste better and as long as everyone knows the rules and minds their manners, a bit of harmless flirting is a good thing. How about getting Holly back for another spread, and while you're at it, a feature on hot skimpies from all over Oz?

L.B., ESPERANCE, WA

MUNGO SAYS: I think we're in full agreement on both matters, L.B. One, Holly is a sensational hottie and we must have her in the mag again soon, and two, skimpies are the best thing to happen to beer since bubbles. We will definitely be doing a round-up of Oz's finest semi-dressed suds slingers in the near future.

GOD SAVE WHATSERNAME

IN REPLY to Mungo Wants to Know issue #1463, I think the Republican extremists need a kick up the arse. If they get their way, we're gunna have to hand back all those names like Queensland, New England, Victoria, New South Wales… the list goes on. All the maps will have to be changed, same goes for our satnavs. I reckon a size 10 boot would sort them out. Cheers, young fella.

A.W., SHEFFIELD, TAS.

MUNGO SAYS: I dunno whether that's actually on the agenda if Australia becomes a republic, but never let the facts get in the way of a good scare campaign, that's my motto. Now you've got me worried that if we boot the royals out, the name of my favourite pub, the Coronation, will have to be changed too. And I won't stand for that. There'll be blood on the bar!

MUNGO WANTS TO KNOW...
What would you do if you were prime minister for a day – which, the way things are going, everyone will be at some stage? Tell me what you'd do with your 24 hours of absolute power.

SICK PICS

YOU WON'T BELIEVE YOUR EYES

PAK IT IN!

PAKISTAN is a mysterious, far-away land full of, erm... mystery and that. They make nice curries, former test cricketer Imran Khan is the prime minister, and that's about all we know about the joint. But it appears from this photo that Pakistani trucks are actually living, breathing critters with minds of their own. This one's obviously chucked a hissy fit and dumped it's load, and the blokes are trying to get it sorted out. Maybe they should give a carrot. Or some oil. Or read it Javed Miandad's batting statistics to soothe it. We only hope it hasn't busted an axle and they have to shoot it.

GET UP YA SOOK!

...AND DON'T BE A WUSS

HO LEE FUK!

WHO: Chinese surfy bloke

WHAT: Stingray stinger in the wedding tackle

WHERE: Sanya, South China

OUCH FACTOR 110%

IT DOESN'T get much worse than this – or funnier, come to think of it.

This Chinese bloke was taking a dip in the ocean when he came running out with a stingray hanging off his boardies, the beastie's 10cm-long stinger EM-FUCKEN-BEDDED in his groin.

Yeah. OUCH, eh. Probably wished he'd gone skateboarding instead.

Naturally, the first thing the other beachgoers did was FILM HIM on their mobiles, then eventually the cops, fireys and ambos all showed up to chuck in their two cents worth.

Not being sure how to pull out the viciously barbed stinger without ripping the guy's ballsack to shreds, paramedics cut it off – the stinger, that is, not the ballsack – and carted him off to hossie, where we hear he and his meat 'n' two veg made a complete recovery.

How it all came about in the first place no-one is saying, but we have a theory.

We reckon the bloke just thought the li'l stingy was so cute he figured he'd FUCK IT, and it all went to shit from there.

So GET UP YA PERVY SOOK and stop molesting marine wildlife.

AFTER!

Watch out – Amber Syms is taking over

SEE AMBER SYM'S SMOO!

WE THOUGHT Florida, USA was full of retirees playing bridge and alligators walking the streets. Turns out it's now also the STIFFY CAPITAL OF THE WORLD thanks to stunning resident nympho Amber Syms.

After starting as a tits-out model, the 28-year-old Seppo has cracked the big time, appearing in a bunch of mainstream flicks including Walt Disney biopic *Walt Before Mickey* and serial killer film *Creeper 3*. Luckily she's still down-to-earth enough to get her whammers out for our enjoyment. Onya Ambs.

"I can be doing a photo shoot one day, computer work the next, then have a great brainstorming session with colleagues the day after that," boasts the multi-talented STUNNA.

Sounds like you hop about more than a RABBIT ON CRACK. What do you do to relax?

"My favourite ways to relax are a hot bath, a good movie and sex.

“I RELAX WITH A GOOD MOVIE AND SEX”

AMBER

#1466 PIN-UP

Then my favourite ways to work out are rock climbing, swimming, and sex. Can you tell what my absolute favourite thing is?"

Rock climbing, right?

"Sex!"

What's the best root you've ever had?

"The most remarkable sexual experience I've ever had was the first time I had an orgasm. And it's still remarkable every single time it happens."

We're pretty impressed by 'em, too. Do you have any idols in life? Shane Warne? Dustin Martin?

"I really admire Ryan Seacrest. He's got the charm needed to be on camera and also he's got a great sense of business. I'm pretty sure he's slowly taking over the world."

We'd rather you take over than him! ■ Picture

MY BEST FUCK

READER'S ROOTS FROM AROUND OZ

MATES' RATES

I WAS wallowing in misery after my girlfriend dropped me, when a few close mates said they'd take me out on the town to help me drown my sorrows.

They did it in style, starting with a feed at a ritzy Chinese restaurant, then we hit a classy rooftop bar for a few drinks. They'd booked rooms at a city hotel, too, so we didn't have to worry about getting home.

I was feeling better, but still a long way off putting the moves on any women, when the best looking girl in the bar grabbed the stool next to me and started flirting.

It took a few minutes to sink in, but before long I could feel the old me coming back, and after a dance and a few more drinks, I put it on her to come back to the hotel with me.

I grabbed a key to one of the rooms, and as soon as we were there she took control, pushing me down on the bed and kneeling in front of me, where she unzipped my cock and gave me the best blowie I'd ever had.

When she shimmied out of her dress and I could see she was wearing stockings and garters, I started to get the impression she wasn't just a casual pick-up.

By the time she was standing over me on the bed doing a full stripper routine I was pretty sure it was set-up – and my mates sticking their heads around the door for a look confirmed it.

They'd chipped in to buy me a "girlfriend experience" with this top class escort, and she played her part to perfection.

She gave me the root of my young life, snuggled up next to me all night then topped it off with a morning glory fuck before kissing me and leaving.

You can bet I shouted my top mates a few beers the next day to say thanks!

RORY, RICHMOND, NSW

I GO TO RIO

I DIDN'T know much about sex when I was 19, having been with the same guy for two years, but I knew there had to be more to it than five minutes of humping then him rolling off and going to sleep.

So one day I told my useless boyfriend not to wait for me and took off backpacking in South America.

I met Rodrigo at a beachside bar in Rio and straight away I knew he was a player, but I didn't care. He worked at the shop on the beach that rented surfboards, and he was super handsome.

He took me to some non-touristy bars where we danced up a sweat. I was paying for the drinks, but that was OK – he was charming and sexy, and I wanted him to fuck me.

I let him know by reaching over and squeezing his fat cock through his shorts and whispering in his ear, "I want you to fuck me."

He lived miles away in some barrio, and I didn't want to take him to my hotel in case they wouldn't let him in, so we went back to the rental shack on the beach, where he got a bunch of clean towels and made us a bed under the stars.

He pulled my beach pants down – I wasn't wearing any undies – and started licking me out, something my boyfriend hardly ever did.

Rodrigo knew how to get me to the edge of orgasm then back off, and after about 10 minutes I was literally begging him to stick his cock in me.

He fucked me deep and hard like I always dreamt of and it was a good thing the surf was pounding, otherwise half of Rio would've heard my yelps as I creamed all over his prick.

Then he was gentleman enough to pull out and come on my tits.

To this day I still get wet just thinking about it.

HAPPY HIPPIE HUMPING

I HOPE the girl who gave me the best fuck of my life reads this and recognises that it's her that I'm talking about.

I was at a music festival with a bunch of people I didn't know that well, and after a few hours they all fucked off and left me on my own. I was thinking what a shit deal it was when this hippie chick came over and asked if I wanted to come and sit with her and her friends.

Unlike the shitheads I'd come with, they were all friendly and of course they were passing around the wacky tobaccy.

After a couple of tokes I was pretty much in love with the chick who'd first approached me. She told me to lie down while she gave me a massage and as she did I cracked the biggest boner ever, so when she told me to turn over I was a bit embarrassed.

But she just looked at the bulge in my shorts, grinned and said, "Yeah, I get that way myself after a smoke."

She lead me by the hand back to the tent they were sharing and stripped off to reveal an all-over tan, pierced nipples and a full-on bush. She put her hand on the back of my head and pulled my face into it so I could growl her out, then we got into a 69er with her wriggling around on my face while she deep-throated my swollen cock.

Then she got on top of it and started rotating her hips and squeezing her cunt muscles at the same time, until I was ready to pop, then she jumped off and let me cum in her mouth – and swallowed every drop.

We fucked for an hour or so before we went back to the music, then I lost her in the crowd and never saw her again.

But if you read this, whoever you are – thank you!

CARA // 21

TRINITY BEACH, QLD

"I have a tendency to take my clothes off whenever the opportunity arises; beaches, pools, parties, almost anywhere; I mean flaunt what your mumma gave ya," theorises 21-year-old Cara. ***Clothes not your thing, then?*** "I don't mind being nude." ***Obviously not. You don't seem to mind even when there's a lens catching it all, too.*** "I just like being in front of the camera. I think the naked body is a beautiful thing." ***Especially yours.*** "There are so many different shapes, sizes and colours out there that each person is like a piece of artwork; different in their own beautiful way and should be admired." ***We'll enjoy taking a look and admiring yours.***

WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION?

"The best way a guy can get my attention is to be confident and take charge. Don't be afraid to be a little different and to introduce yourself."

PRINCESS // 19

This 19-year-old might call herself Princess, but she's far from prim and proper. "My name is kind of ironic because I love going into the bush and going camping and getting all dirty and fun things like that," tattled the TIT-TASTIC teen. ***Ever played a bit of HIDE THE SAUSAGE outdoors?*** "Of course. When you go camping, that's about your only option. I've had sex in beautiful natural springs, at the beach, in dirty red desert sand, on top of beautiful mountaintops and everywhere in between." ***Alright, we get it, you have HEAPS of sex. What's a fantasy you want to cross off your sexual bucket list?*** "I've always wanted to join the mile high club. I've only caught a plane once before and it seems quite difficult to get away with." ***Remember – where there's a will, there's a way, Princess!***

WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION? "I've got a real thing for hippy guys. So guys that might play the bongos and do yoga and are really in touch with their spiritual and feminine side."

How was your trip to Sweden? Are the guys there hot?
SHARON, MACKAY QLD

SHARON SAYS: ***"Hi Sharon. My trip to Sweden was hot, despite the cold weather. Lots of Viking-looking men... tall, bearded and strong. They're some of the hottest in my opinion, they're virile."***

"I've had a few girls go down on me"

EMERALD // 24

DARWIN, NT

It makes our boners happy to see a young lady rocking the below fro. "I love my muff," grinned the proud-as-punch pube owner. "I always get compliments on it from guys." ***Are they surprised to see it?*** "They are. It's not as common amongst young women anymore." ***Have you shown any of your girlfriends?*** "Yeah, my girlfriends all know about it and love it. Most of them think it's sexy, but still they'd never do it themselves." ***Do any girls ever get a close-up look at it?*** "I've had a few girls go down on me, but I much prefer the guys. I love big, strong, muscly men with tattoos who know what they're doing in bed."

WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION? "If you see me out, approach me with something witty to say and definitely do not ask if the carpet matches the drapes – NOT FUNNY!"

LEA // 30

DARWIN, NT

After travelling around for 11 months, Amsterdam local Lea, 30, has racked up some fine nudity in her Aussie adventure. "Probably the most unusual place I've been naked is bathing in an icy river in Tasmania. Or dancing around the fire in the outback during a beautiful full-moon night." ***Not to mention posing for these photos. What made you do that?*** "I've never done something like this before and I wanted to know how it feels to be naked in front of a camera. I'm a curious person and I like to try new things all the time." ***Was it fun?*** "Actually, yes. I had fun." ***What is the highlight of your travels so far?*** "Surfing on the south coast." ***We hope naked.*** "Not yet, but it's not a bad idea. It's probably an amazing feeling to do it naked." ***Only one way to find out!***

Not only is she a wonderful kisser and great at foreplay but when she goes down on me and licks my pussy it feels so amazing! She's so skilled that I come over and over; she leaves me dripping wet and moaning." **Ella:** "What's not to love about Emily's body? I love her soft skin, long hair, and cute freckles. She has a gorgeous butt and stunning legs, boobs, pussy, and everything in between."

WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION? **Emily:** "I love a friendly smile with some sexy eye contact and a friendly approach. A positive attitude and happy outlook on life is attractive to me and makes me want to get to know you. Being upfront about what you want is also a must, it's so sexy – and a guy who smiles and laughs with you is always a good time in bed." **Ella:** "Any guy who'll call his mates out on sexist, racist, homophobic, transphobic or harassing behaviour has my attention."

"You guys have no good cultural food." ***Ah, whaddya call meat pies and pavlova, then?*** "They're OK, but they're no paella and sangria." ***Righto, how 'bout you tell us what you love about Oz? Or we might have to make a quick call to immigration…*** "I love the men! You guys are so funny and sexy and easy-going." ***Have you had any raunchy romps?*** "Yes, I've had a few fun times with Australian guys. I think Aussie guys have the biggest penises of any country I've ever seen!" ***Well recovered, you can stay here as long as you please, Francella.***

WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION?

What did you do next?*** "I commented on my friend's nipple jewellery, and next thing you know one thing lead to another." ***Did you put the spa jets to good use?*** "I guess you could put it that way, but my friends tongue piercing was a better advantage." ***Shoulda given them both a crack.***

FLASHBACK

JANUARY 2011

LISA // 26

PERTH, WA

Despite sporting an insane body, 26-year-old Lisa is single. ***We'd like to rectify that. What do you look for in a bloke?*** "Tall and sporty with muscles. Oh, and funny." ***A stand-up comedian who plays basketball?*** "No. And he should be a bit of a bad boy." ***A registered sex offender?*** "No." ***What else are you into?*** "I like surfing." ***Nude?*** "Yes. I had too much to drink one night and me and four other girls went out. A football team saw us on their morning training run and stole our clothes." ***What else do you like doing?*** "I like to travel and I like going to strip clubs." ***According to your extensive research, where are the world's best strip clubs?*** "Amsterdam." ***Our flights are BOOKED.***

"Tall and sporty with muscles, please"

"I go surfing fully naked"

SUMMER // 19

GOLD COAST, QLD

Summer is 19 and just back from "chilling in Hawaii". ***Chilling? We thought it was supposed to be warm over there. What do you like in bed?*** "Lots of kisses and cuddles." ***You do know this is PICTURE and not* Women's Weekly*, right? We were thinking more threesomes, dwarfs and swingers' clubs. Do any of those apply?*** "From that list, probably threesomes." ***So you've had a few of those?*** "No, I haven't had the opportunity." ***Call us when you do. You like the beach – do you go topless?*** "Yeah, normally, unless I'm surfing." ***When you go fully naked…*** "Exactly." ***What do you like in a bloke?*** "Tall, muscly, with deep blue eyes." ***Would two out of three do?*** "Yes." ***One out of three?*** "No. They also have to be tanned." ***Bad luck, all you albino blokes.***

HOME GIRLS

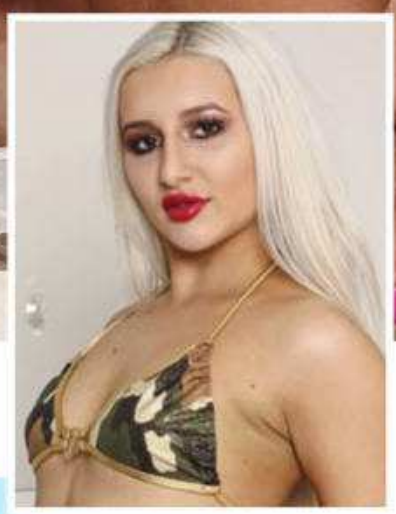
TC // 35

EAST DONCASTER, VIC

If you reckon 35-year-old TC looks happy here, it's because being starkers in front of a lens makes her smile. "I liked the fact I was in a horny, comfortable setting." ***Have you been photographed clothes free much in the past?*** "Yes." ***Are you allergic to fabric?*** "I like to see my body as an art form and also as a form of self-expression." ***We like to see it as something to inspire us to touch our genitals. What is the horniest thing you've done on camera?*** "I love making videos; more so than watching them. I like playing with toys for the thrill of it and getting a kick out of the reactions from the end result." ***We'll need one of these videos, TC, for, erm, research.***

WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION?

"Be genuine, sexy, real, honest, open, trusting, funny and caring. Because I don't like wasting my life on the wrong one when the right one might be just over the fence! Or round the corner."



BRITNEY // 19

FORTITUDE VALLEY, QLD

"My most recent outdoor nudity experience was about a week ago when I left the underwear I wanted to wear on the washing line. So I walked outside on the balcony naked to grab it," says 19-year-old Britney. ***Did the surrounding property values go up at the same meteoric rate as the local tummy bananas?*** "I live in a high-rise building – and some business men in their office spotted me so I bent over and gave them a flash. I wanted to make their morning. I was focused on that group of guys in particular, but anyone could have seen! There was a couple in the apartment building next door who noticed, too. It didn't seem like they minded, though."

WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION?

"I like dominant men. I'm really submissive, so a man who carries himself with a confident attitude will always get my attention and turn me on."

"I've had a foursome"

CARLY // 22

PARRAMATTA, NSW

"I get horny even just thinking about having sex outdoors," gushes the 22-year-old retail assistant. ***Ever been busted during a PUBLIC PORK?*** "Yeah, a couple years ago an old boyfriend and I were having sex on the middle of a footy field late at night when a group of drunk guys started walking across the oval and saw us." ***Uh-oh. They give you a cheer?*** "Yep, my boyfriend stopped straight away but I wanted to keep going and give them a little show." ***What a killjoy. Ever had an audience during a root before?*** "I've had a foursome with another couple and we swapped partners and occasionally we'd take a break and I'd makeout or go down on the other girl while the boys watched – does that count?" ***Does it ever!*** **WHAT IS THE BEST WAY FOR A GUY TO GET YOUR ATTENTION?** "Be funny and confident. It also wouldn't hurt if you're tall with long hair and tattoos."

There's a whole lotta slip, slop, slapping when Keira goes to the beach and it's not just being sun safe. "I've had a fair bit of beach sex," boasts the 23-year-old Czech backpacker. "You've got to make sure to throw a towel or sarong down first so the sand doesn't get inside your vagina." ***You sound like a seasoned beach-rooting pro. Have you ever been busted?*** "Oh yeah, of course. One time a partner and I were having sex at a beach up the coast when another couple arrived and set up really close to us." ***Did they get involved?*** "We stopped when they came but they'd already seen us, so we decided we might as well keep going. I gave them a smile hoping they might come over, but unfortunately they just watched."
